Now is the to See

Hollywood-by-the-Sea has proved its claim of being Florida's All-year Resort City. Knowing that it is but necessary to visit its clean cool beach, we brought hundreds, that in time ran into thousands, down to Hollywood and demonstrated visitors. These half-skeptical visitors from the northland found first of all, a modern city, made and in-the-making, built up by its founder, Joseph W. Young, from virgin land and timberland, right in the choicest section of Florida's brilliant Southeast Coast. Few of them were prepared to find such a community as Hollywood; a community that conventional ideas had taught them to believe was given over in summer to tropical heat.

They found beautiful, brilliantly lighted coral streets, parks and parkways, bright, business structures, schools and public buildings. They found a livable city with all the amusements, pleasures, and comforts of a seaside resort.

COULDN'T FIND ANOTHER MEDICINE LIKE KARNAK

"Why, I'm So Well And Happy Now I Can Hardly Realize I'm The Same Person," Says Berlin, N. H. Woman.

"You couldn't find another medicine like this Karnak the world over," declares Mrs. Evalina Davis, of 787 Main St., Berlin, N. H.

"Oh, how I suffered the past two years with indigestion and stomach trouble. My stomach was in such a terribly acid condition it seemed to poison my whole system, and my digestion was so poor that every morsel I ate seemed to turn to sour gas. The distress I caused me was simply terrible. I

just got where I was afraid to eat and was as nervous and rundown as could be. I felt miserable all over.

"And think of it, two bottles of Karnak has brought me complete relief where nothing else would even help me. Why, I now eat white bread, potatoes and other such things I didn't dare touch before, and it gives me strength, and doesn't cause me a particle of trouble afterward. Why, I am so well and happy I can hardly realize I'm the same person. My husband has also been wonderfully benefited by Karnak. It's the grandest medicine on earth."

Karnak is sold in Norway exclusively by Frank P. Stone; and by the leading druggist in every town.

COULDN'T FIND ANOTHER MEDICINE LIKE KARNAK

"Why, I'm So Well and Happy Now I Can Hardly Realize I'm The Same Person," Says Berlin, N. H. Woman.

"You couldn't find another medicine like this Karnak the world over," declares Mrs. Evalina Davis, of 787 Main St., Berlin, N. H.

"Oh, how I suffered the past two years with indigestion and stomach trouble. My stomach was in such a terribly acid condition it seemed to poison my whole system, and my digestion was so poor that every morsel I ate seemed to turn to sour gas. The distress it caused me was simply terrible."

just got where I was afraid to eat and was as nervous and rundown as could be. I felt miserable all over.

"And think of it, two bottles of Karnak has brought me complete relief where nothing else would even help me. Why, I now eat white bread, potatoes and other such things I didn't dare touch before, and it gives me strength, and doesn't cause me a particle of trouble afterward. Why, I am so well and happy I can hardly realize I'm the same person. My husband has also been wonderfully benefited by Karnak. It's the grandest medicine on earth."

Karnak is sold in Norway exclusively by Frank P. Stone; and by the leading druggist in every town.

Mrs. Saunders Tells how Lydia E. Pinkham's Vegetable Compound Relieved Troubles of Change of Life

Knoxville, Tenn.—"I took Lydia E. Pinkham's Vegetable Compound while going through the Change of Life. I was very nervous, could not sleep and had melancholy spells. In fact, I was nearly insane at times and my memory was almost a blank. I was so weak I could not do my housework half of the time and suffered dreadfully with my back. My doctor said I would have to worry it out and I went through this for three years before I began taking the Vegetable Compound which I saw advertised. I think it was eight bottles that I took. It has been two years since I took any and I haven't had a doctor since for that trouble. I do all my washing and ironing and I have gained from 116 to 138 pounds. I feel so well I think I do not need any medicine now, but I advise all women who suffer physically and mentally as I did to give the Vegetable Compound a fair trial. I hope it will do as much for them as it did for me."—Mrs. T. A. SAUNDERS, 111 E. Depot Street, Knoxville, Tenn.
